

Aspire Job Description

Job Title: Storekeeper **POSITION ID:** STK901

Entity: **ASPIRE DEFENCE SERVICES LIMITED (ADSL)**

Location: TidNBul

Reports to: Stores Supervisor

Key Purpose of the Role: The postholder will provide comprehensive stores support for Tidworth & Bulford Estates Store covering sourcing, selection and purchase of goods to ensure a smooth supply of parts to the Maintenance team that meets contractual response times

The role is responsible for the management and accounting of all materials held within the Garrison Estates/Technical Stores including FF&E and loan equipment in accordance with ADSL policies, processes and procedures.

Key Responsibilities:

- Operate an estates store, ensuring a smooth supply of parts, FF&E and loan equipment to the Maintenance team that meets contractual response times
- Act as local point of contact, communicating effectively with the estates maintenance teams and action queries promptly
- Purchase of stock and replenishment for the Garrison teams in accordance with ADSL policies, processes and procedures
- Carry out stock taking of the store's inventory
- Compliance with management of Control of Substances Hazardous to Health (COSHH) including the issue of correct and in date supporting documentation

Duties include but are not limited to:

- Goods In – Ensure that all products match the current system descriptions and that the quality of product delivered match what has been ordered and invoiced
- Arrange stock items on shelves efficiently and safely
- Picking Items - Responsible for ensuring that all Estates orders are selected accurately, efficiently and in a safe manner
- Issue and receipt of loan tools and equipment to the DEL on request ensuring they have received the appropriate training and are authorised to do so
- As required, undertake/assist the process of sourcing and ordering non catalogue “no part parts”
- Ensure the general area both inside and outside the store is kept clean and tidy and that equipment is clean and serviceable
- Understand and adhere to all appropriate Risk Assessments
- Completion of all relevant documentation in timely, accurate and legible manner
- Assist/undertake random audit checks and completed with any
