

Aspire Job Description

Job Title: Electrician **POSITION ID:** ELEC717

Entity: **ASPIRE DEFENCE SERVICES LIMITED (ADSL)**

Location: TidNBul

Reports to: Maintenance Supervisor

Key Purpose of the Role: To undertake the installation, maintenance and repairs of electrical wiring, equipment and fixtures as part of a highly skilled maintenance support function within the Garrison. Responsible for undertaking New, Reactive or PPM tasking

- Key Responsibilities:**
- Undertake electrical installation and reactive work to the required standard and in line with any documentation provided
 - Undertake maintenance and repairs of electrical wiring, equipment and fixtures when required
 - Diagnose and repair electrical problems, including fault-finding, rewiring, and monitoring
 - Assess the parts needed for a job and place orders for those parts
 - Conduct routine maintenance and testing on commercial and domestic electrical systems, and ensure installations are to manufacturer standards, including in fire alarms and security systems
 - Rewire faulty electrical systems, such as lighting, heating systems, and alarms
 - Ensure good quality workmanship which upholds company standards, complies with building codes, and follows safety requirements
 - Work alone to find and present faults and concerns in electrical systems without receiving explicit direction
 - Provide exceptional customer service and answer any customer questions
 - Attend and resolve any reactive tasking as directed by line management
 - Ensure acceptable standards of productivity and workmanship are maintained in the execution of work
 - Ensuring the recording of all maintenance works when completed are posted through the appropriate, equipment, systems and documentation as required by the Company Management System
 - Work as part of a team to deliver an efficient and effective service to the client, customer and stakeholders
 - Ensure that all areas of areas of personal responsibility adopt and utilise ADSL QHSE policies and procedures
 - Not to interfere or misuse anything provided in the interests of Health and Safety or protection of the environment
 - Reporting of all Health and Safety defects, near misses, dangerous occurrences and spillages to the ASPIRE Helpdesk
 -
